2. HONEYMOON FINANCIAL TIPS & COST SAVERS

- Package Bundling Savings:** Booking a comprehensive honeymoon package often saves 15% to 20% compared to paying separately for resorts, private catamarans, and cab transfers.
- Ferry Class Selection:** Executive class on Makruzz or Nautika offers great comfort and panoramic ocean views without upgrading to VIP tiers.
- Cash Availability:** Outlying islands like Havelock and Neil have limited ATM reliability. Carry sufficient physical Indian Rupees for small beach vendors and water sports.
